WORK EXPERIENCE

ANTHRAI | AI SOFTWARE DEBUG STARTUP

GTM & Strategy Intern

SAN FRANCISCO, CA

May 2026 – Aug 2026

- Owned full funnel outbound from ICP definition to sequenced sending, booking 20+ meetings across 100+ accounts while coordinating with executives on go-to-market strategy, customer validation, and model analysis for AI test agents
- Partnered with developers to align feature milestones with business adoption and monetization goals across initial pilots and analyzed customer interviews and feedback to guide product feature updates and future operational developments

IKONA PARTNERS | B2B SOFTWARE

Investment Banking Spring Analyst

SAN FRANCISCO, CA

Jan 2026 – May 2026

- Sourced high-growth enterprise software startups with high M&A probability and strong strategic acquisition potential
- Built and maintained a qualified deal pipeline with a response and conversion rate above 25% through founder outreach while conducting business driver analysis, projected growth metrics, and performed profit and loss statement evaluation
- Established a CRM of 1,000+ targets, logging founder conversations and tracking accounts from partner-level meetings

EOS AI (YC W26) | HEALTHCARE IMAGING STARTUP

Founding Strategy & Operations Lead

SAN FRANCISCO, CA

Sep 2025 – Dec 2025

- First business hire, leading growth, finance, and design alongside the founding engineering team through the seed stage
- Prepared the operating model, burn forecasts, and financial projections underpinning investor decks used in 10+ seed funding conversations, including live pitches at TechCrunch Startup Battlefield and the Y Combinator Winter 26 batch
- Led outbound to radiology and pathology groups, converting early pilot users into the company's first paying accounts

SIMPLIFY TECH | AI EDTECH STARTUP

AI Agent Developer

BARRINGTON, IL

Jun 2025 – Dec 2025

- Built educator-approved AI agent, integrated into over 300+ classrooms, for 10,000+ high school students nationwide
- Designed the AI ideation agent on n8n for student entrepreneurs in the Uncharted Learning INCubatoredu program
- Engineered prompts through Claude code and Replit to guide high school entrepreneurs through product ideation, solution statement refinement, target market research, competitive analysis, pricing models and grading problem viability

FULCRUMGT | LEGALTECH

Venture Development Lead

HOFFMAN ESTATES, IL

Jun 2023 – Aug 2025

- Secured \$1,000,000+ in seed funding from FulcrumGT executive board and submitted two patents for app algorithms
- Received App Store approval and generated 1,000+ early sign-up and waitlist registrations ahead of planned launch date

LEADERSHIP & EXTRACURRICULAR EXPERIENCE

RISE: INVESTMENT BANKING PANEL | RECRUITMENT EVENT

Lead Outreach Coordinator

BERKELEY, CA

Feb 2026 – Apr 2026

- Networked with 1,300+ panelists, securing 8 from Goldman Sachs, Centerview Partners, Morgan Stanley and Evercore
- Implemented marketing and outreach initiatives and resume workshops, engaging 5,000+ students across the Bay Area
- Assessed feedback from 150 attendees and achieved over 90% satisfaction rate from evaluation surveys and interviews

W. KIM TAEKWONDO

Assistant Master | 3rd Dan Black Belt

PALATINE, IL

Jun 2010 – Aug 2025

- Instructed students ages 4 – 13 with tournament sparring, Hapkido forms demonstrations, and self-defense techniques
- Raised over \$5,000 for my instructor, which was donated towards Northwestern's glioblastoma cancer research division
